Important Kit Assembly Information

All items included in kits must be NEW items. Our emergency kits are carefully planned to make them usable in the greatest number of situations. Since strict rules often govern product entry into international countries, it is important that kits contain only the requested items—nothing more.

Please do NOT include any personal notes, money or additional materials in the kits. These things must be painstakingly removed and will delay the shipment.

Please return kits to Mount Olivet by May 30.
